- ✂ [Pelegrini 1 * Michelin Star-](#) The rich gastronomic heritage of Šibenik dates back to the Roman period and has been influenced by the Venetians, the Ottoman Empire, and the French over subsequent centuries. Today, Pelegrini showcases local ingredients such as mussels, oysters, sea snails, sea urchins, and different species of fish, as well as meat-based dishes with an emphasis on lamb and veal. Careful attention to presentation and the cut of the meat, together with a judicious combination of flavors, ensure that your taste buds are never disappointed.
