### Private Argolis Experience

Your full-day sightseeing tour starts with a scenic drive along the coastal road along the Saronic Gulf towards your first stop -the Corinth canal. The famous narrow waterway that separates mainland Greece from the Peloponnese will provide you with the first of many perfect photo opportunities of the day. Crossing into the Peloponnese you enter Argolida, the land of Homer's Golden Mycenae and home to King Agamemnon. Your walking tour of this stunning UNESCO site commences by entering through the Lion's Gate, erected during the 13th century BC and the only remaining monumental piece of Mycenaean sculpture. Explore the awe-inspiring examples of Cyclopean masonry found in the walls of Mycenae and continue with a visit to the Royal Tombs of King Agamemnon and his wife Clytemnestra along with the Treasury of Areus.

From here, you will travel to the picturesque seaport town of Nafplion, once the capital of the First Hellenic Republic and of the Kingdom of Greece. Along with a walking tour, here you will also have time for lunch at your leisure. Finally, visit the Great Theater of Epidaurus, known for its perfect acoustics.
